SUMMARY

Recent BE Computer Engineering graduate eager to apply knowledge and skills in an entry-level role at a dynamic IT organization. Passionate about leveraging technical expertise to drive innovation and deliver impactful solutions.

TECHNICAL SKILLS

Programming Concepts: Core Java, Python, OOPS, Collection Framework, JDBC, Exception Handling, SQL.

Web Technologies : HTML, CSS, JavaScript.

Frameworks: Spring MVC, Springboot, Hibernate, Django.

Developer Tools: Git, VS Code, Eclipse, Postman, STS.

Database : MySql.

PROJECTS

Digital BankPro   Feb 2024 – May 2024
Banking Project   *– Java, Spring Boot*
- Developed a comprehensive Bank Management System incorporating features such as account creation, withdrawals, and deposits using Spring Boot.
- Backend Engineering: Engineered and maintained the backend using Java and Spring Boot.
- API Implementation: Implemented RESTful APIs to support various banking operations

DetectWell   Nov 2024 – April 2024
Android Application   *– Java, Python, Flask, ML*
- An Android application utilizing machine learning and deep learning models to detect various diseases.
- The application leverages the power of mobile technology and AI to provide accessible health diagnostics
- Technologies Used: Android Studio (Java), Python, Flask API, Machine Learning

SOFTWARE DEVELOPER INTERN

Software Era Technologies   March 2024 – May 2024
Full-Stack Developer Intern   *Pune, Maharashtra*
- Developed and integrated robust Java application codes for various projects. Experience in SDLC such as Analysis, Design, Implementation and Web based Enterprise Applications using Java/J2EE.
- Having experience in Java, Java spring boot, and also in designing backend applications.
- Worked with development tools and environments like Git, Visual Studio, Eclipse, etc..
- Strong communication and analytical skills and a demonstrated ability to handle multiple tasks as well as work independently or in a team.

EDUCATION

Suman Ramesh Tulsiani Collage of Engineering Pune.   8.71 CGPA
BE. in Computer Engineering   *Sep 2021 – May 2024*
JSPM's Rajarshi Shahu College of Engineering's Polytechnic, Tathawade, Pune 88.29 Percentage
Diploma in Computer Enginnering   *June 2018 – Aug 2021*

CERTIFICATIONS

- Programming with HTML, CSS, JavaScript (Coursera)

- Java Development (Great Learning)
